Experience

City of Westminster

Trails Specialist | 2016 - 2022

Shape a vibrant, productive environment by onboarding, training, and supervising a dynamic staff of programming professionals to implement nature-based educational courses. Establish strong foundation for success through oversight of Westminster's conservation easement program.

Selected Contributions:

- ♦ Exercise detailed analysis and judgment while assisting with IPM data collection and monitoring.
- ♦ Exhibit exceptional ability to marshal appropriate resources by managing trail census data
- ♦ Employ balanced leadership as Project Manager of Westminster's national trails day events, mural program, and visitor use studies.

Education

Certificate in Fullstack Web Development

University of North Carolina at Charlotte

Bachelor of Science in Recreation Tourism and Therapeutic Recreation, 2011

Winona State University, Winona, MN
